

Williamson County Extension Crops Committee Presents...

PRIVATE PESTICIDE APPLICATOR TRAINING

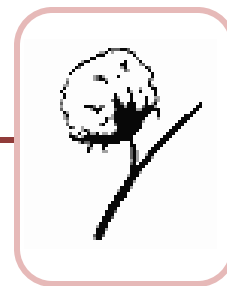

Wednesday, June 11

Private Applicator Training, 8 am to 12 noon

Due to TDA regulation changes, no testing will be offered after the training.

Information on testing locations will be available after the training.

Texas A&M AgriLIFE Extension Service Williamson County

The four-hour training at the Williamson County Extension office will give participants the necessary information to take the private applicator license test which will be administered by a commercial firm at 22 locations across Texas. All training will still be done by AgriLife Extension.

The cost of the training is \$50 which includes all materials.

Any agricultural producer or land owner who applies restricted use pesticides to their own property needs a private pesticide applicators license and may participate.

Call 512.943.3300 to RSVP for training 12 noon on the Friday before.
