1st	Emily Plaster

For all age groups:

If you won a first place in the recent county photo contest you are eligible to submit that photo to district. This must be done by **Friday, March 24** - on **4-H Connect** and has a **$5 per photo fee.**

The rules don't state how to title the photo this year. I don't now if it's changed of if it's an oversight, but to be certain I would go ahead and title the photo the way we always have:

agegroup_category_county_firstname_lastname

Note also that at the district level photos are not "placed". You will receive a blue, red, or white ribbon.

SENIORS! You have until 3/27 to submit your photos for the 2nd county contest. You may submit the same photos, as they are or re-edited. You may submit entirely new photos in any category - whether you entered that category the first time around or not. This is an entirely separate contest. First place winners from this contest will move on to state.
