Youth Fair General Rules

1. **Exhibit areas will be closed during judging**. Judges' decisions are final.
2. **PROJECT QUALIFICATIONS**: Projects that have been released back to the exhibitor from the Williamson County Youth Fair (WCYF) cannot be re-entered in a WCYF in following years. The exhibit MUST be made within the calendar year. (From Youth Fair to Youth Fair)
3. **PROJECT INFORMATION SHEET:** Some projects require you to have a Project information sheet (located on page 39) or a 5x7 notecard attached to the entry. Read your division rules to see if your project requires it. This is where the exhibitor can describe techniques learned/applied, if it is a kit or not, describe the creation process and what the item is. This is highly suggested but not required in all divisions. (Divisions A-H require a recipe form located on page 41). Notecards are not allowed in food divisions.
4. **Ag. MECHANICS is the ONLY Division with GROUP PROJECTS**: Ag Mech group project exhibitor guidelines:
    - Group projects will be entered and judged in the age group based on the age of the oldest member in the group. (See Youth Fair Entry Rules for age divisions)
    - Complete descriptions must be given for each entry. All group members and their parent or guardian must sign the entry form. One (1) Team Leader will enter the group project but must list all team members in the group on the entry form.
    - All proceeds from group projects will be made payable to the team leader as indicated on the entry form unless other arrangements are made with the Williamson County Livestock Association.
5. **CLASSIFICATIONS**: Questions arising in classifications of entries will be resolved by the Youth Fair Directors. All entries that do not meet the rules outlined in this handbook will be disqualified and will not be judged. Entries may be moved to a different category if deemed necessary. At the Youth Fair Directors' discretion, we reserve the right to combine and/or divide any class for more competitive judging. The Youth Fair Superintendent may move any entry to another division/class in order to group similar items for judging. If a class has three or less entries, it may be combined. The decision of Youth Fair Directors and Superintendent is final. ***Even though an item is accepted, it is still up to the superintendent to determine if it qualifies for judging.**
6. **SAFETY**: All projects shall meet safety standards and electrical codes. Failure to comply shall result in disqualification of the project.
7. **NO LIVE ANIMALS**
8. **DISPLAY EQUIPMENT**: Display equipment is allowed in creative crafts, woodworking, and metal crafts divisions.

9. **COUNTRY STORE**:
    - All baked goods divisions will be sold in the Country Store at a set price. Other division entries will have the opportunity to set the price of their item.
    - All money received for a project in the Country Store goes directly to the exhibitor; WCYF retains no portion of these funds.
    - Items may be purchased by the public through the Country Store. Any project not claimed by the final close of the County Store will become property of WCYF, NO EXCEPTIONS.
10. **RELEASE OF EXHIBITS**: Any projects NOT picked up during the designated release time will become the property of WCYF. A Club Manager or School Advisor can pick up entries for members/students.
11. **RIBBONS**: Ribbons will be placed on the projects upon completion of judging. All ribbons not picked up during the designated release time will be turned over to Club Managers or School Advisors. The WCYF and the Extension Office are not responsible for ribbons once the Managers and Advisors have possession of the awards.
